

Gentlemen, We want to congratulate you for taking this first, major step. Godly prompting is what encouraged you to enroll in this class. Developing Godly habits is what will ensure you continue on this journey.

The purpose of this class is to create an awareness of the depravity and relational devastation that occurs when we invite pornography and sexual immorality (sexual addiction) to assume its parasitic position in our lives. Our goal is to share the amazing depth and effect of Christ's power to eradicate sexual addiction from our lives. As believers, we are able to do the work of obedience, but all of our growth is empowered by God's grace. Only Jesus is able to justify, wash, and sanctify us. The Word of God is the foundation of our faith and the solution to our torments.

Sexual addiction is very destructive. Sexual addiction will ruin your life, your marriage, relationships with your children, other family members, people with whom you associate or work with, and above all, your relationship with God! However, sexual addiction is only a symptom of a much deeper issue. The major focus will be on our lack of personal self-control, our arrogance, and basic selfishness. Might we suggest there are other areas in your life where the lack of self-control is manifesting itself? It could be in the area of sexual promiscuity, uncontrollable anger, rage, lying, cheating, stealing, over-eating, overspending, excessive TV, excessive video games, sports, etc.

We will ask you to seriously consider several requirements that must be honored for the duration of this class. If you are not willing to work within these confines, then we would ask that you do not attend this class because you are not ready to work at being more disciplined in your life.

"If your hand causes you to sin, cut it off. It's better to enter eternal life with only one hand than to go into the unquenchable fires of hell with two hands." Mark 9:43

These are the words of Jesus! You need to cut off the sin; be drastic and quick! This sin only spirals you down into a dark, empty abyss.

I promise to follow all these requirements for the entire duration of this class. I understand that this is not a legal document, but my personal commitment to follow all these requirements to the best of my ability.
